For clarification, sub-paragraphs X.2 to X.5 of this exclusion do not apply in respect of any **Loss** or **Defence Costs** resulting from a **Claim** arising directly from any negligent act, negligent error or negligent omission by the **Insured** solely in the provision of the **Professional Services**.

In any **Claim** and in any action, suit or other proceedings to enforce a **Claim** by the **Insured** under this **Policy**, the burden of proving that such **Claim** does not fall within the exclusions above shall be upon the **Insured**.

In the event any element of this exclusion is found to be invalid or unenforceable, the remainder shall continue to be in full force and effect.

4. ADDITIONAL EXTENSIONS

- A. The **Insurer** will subject to the terms, exclusions, conditions and endorsements of this **Policy** indemnify the **Insured** against costs and expenses necessarily and reasonably incurred in respect of any action taken to mitigate a **Loss** or potential **Loss** that otherwise would be the subject of a valid **Claim** by a **Third Party** under this Insurance. For the avoidance of doubt, the **Insurer** will not under this clause meet any losses that arise from costs which the Insured would have had to incur within its agreed contract price to perform its **Professional Services** without the negligent act, negligent error or negligent omission. The onus of proving a **Claim** under this Extension shall be upon the **Insured** who will be obliged to give prior written notice to the **Insurer** during the Period of Insurance of the intention to take action that will incur such costs and expenses.
- B. The **Insurer** will, subject to the terms, exclusions, conditions and endorsements of this **Policy** indemnify the **Insured** for **Loss** and **Defence Costs** resulting from any **Claim** first made against the **Insured** by a **Third Party** during the **Policy Period** arising from a negligent act, negligent error or negligent omission by specialist designers or consultants to whom the **Insured** has sub-contracted the performance of **Professional Services** defined herein provided that:
1. the rights of recourse against such designers, consultants or sub-contractors are not waived or otherwise impaired;
 2. the **Insured** has taken reasonable steps to ensure that the sub-contractor has, and maintains, professional indemnity insurance with a reputable insurer;
 3. there is a written contract between the **Insured** and the sub-contractor which is subject to English Law, includes an arbitration clause and provides that the sub-contractor will indemnify the **Insured** against any liabilities the **Insured** incur as a result of the sub-contractor's performance of the contract; and
 4. the **Professional Services** are undertaken only by or under the direction and direct control of a properly qualified architect or engineer or surveyor (as appropriate).
- C. The indemnity provided by clause 1 of this **Policy** shall apply to cover the liability of the **Insured** arising under a decision of an adjudicator relating to claims made against the **Insured** referred to adjudication in accordance with an adjudication of claims provision contained in a contract (the "**Contract**") to comply with the Housing Grants, Construction & Regeneration Act 1996 or other similar adjudication clause, provided always that as a condition precedent to coverage being afforded hereunder the **Insured** undertakes additionally to comply with the following sub-clauses as follows:
1. to notify the **Insurer** within three working days (or in any event prior to the appointment of an adjudicator), or receipt of any "notice of intention to adjudicate" or of the service by the **Insured** of any "notice of intention to adjudicate" in circumstances which will lead to or are likely to lead to a claim against the **Insured** being dealt with as a part of the adjudication;

2. to supply the **Insurer** promptly with all details relating to any reference to adjudication, including copies of all documentation made available to the **Insured**, or subsequently by the **Insured** to the adjudicator;
3. to allow the **Insurer** to appoint advisers and to have conduct of the adjudication as they deem appropriate and to co-operate with the **Insurer** in the conduct of the adjudication; and appointments made by the **Insurer** shall be at the **Insurer's** expense, but subject always to the application of the **Retention** (the **Insurer** notes that, subject to conflicts, it will appoint Reynolds Porter Chamberlain LLP as its adviser in this respect);
4. to meet any request, direction or timetable of the adjudicator;
5. to satisfy the **Insurer** that any liability incurred under an adjudicator's decision for which indemnity is being sought, arises from a claim first referred to adjudication during the **Policy Period** arising from a negligent act, negligent error or negligent omission committed solely in the provision of **Professional Services**;
6. to institute legal proceedings or arbitration in accordance with the terms of the original contract to challenge or reopen or stay the enforcement of such adjudicator's decision if reasonably requested so to do by the **Insurer** and to allow the **Insurer** to appoint appropriate advisers as they may deem necessary to have conduct of such proceedings if appropriate, any such steps made by the **Insured** shall be at the **Insurer's** expense, but subject always to the application of the **Retention**;
7. not to agree to accept the decision of the adjudicator as finally determining the dispute without the prior consent in writing of the **Insurer**.
8. any indemnity provided to the **Insured** in connection with any adjudication, including under the Housing Grants, Construction & Regeneration Act 1996 shall be covered hereunder and not elsewhere under this **Policy**.

Further, in order for the terms of this sub-clause C. to apply:

- (i) the adjudication provisions in the Contract shall:
 - (a) provide that the adjudicator must be independent of the parties to the dispute;
 - (b) not allow for the adjudicator's decision to finally determine the dispute;
- (ii) The Contract must not place any conditions upon the timing of commencement of legal or arbitration proceedings (for the sake of clarity, this does not apply to adjudication proceedings or other proceedings which have to be commenced within a stipulated period in order to prevent a certificate being conclusive as to the matters to which it relates).

For the avoidance of doubt in the absence of any adjudication clause in a contract indemnity hereunder will apply to the Government's Scheme for Construction Contracts where this is applicable.

5. AGGREGATE LIMIT OF INDEMNITY

The Aggregate Limit of Indemnity for all **Loss** and **Defence Costs** for all **Claims** made against all **Insureds** and reported to the **Insurer** in writing during the **Policy Period** shall not exceed the Aggregate Limit of Indemnity stated in item 4 of the Schedule. All obligations of the **Insurer** under this **Policy** shall cease after the Aggregate Limit of Indemnity has been paid by the **Insurer**.

For the avoidance of doubt, this **Policy** is a single contract of insurance and if more than one **Insured** is covered, this **Policy** shall nevertheless be and remain a single contract of insurance for the benefit of the **Insured**.

6. RETENTION

The **Insurer** shall only be liable in excess of the **Retention**, which **Retention** shall apply to each and every **Claim** and shall be inclusive of **Defence Costs**.

7. NOTICE OF CLAIM

A. The **Insured**, as a condition precedent to their right to indemnity under this **Policy**, shall give the **Insurer** written notice of any **Claim** made against any **Insured** as soon as practicable, but in no event later than the end of the **Policy Period**.

B. If during the **Policy Period**, the **Insured** become aware of a specific act, error or omission which is reasonably expected to be likely to give rise to a **Claim** and the **Insured** seek indemnity for such **Claim**, then, as a condition precedent to their right to indemnity under this **Policy**, the **Insured** must during the **Policy Period** give written notice to the **Insurer** of:

1. the specific act, error or omission of the relevant **Insured**;
2. the reasons for anticipating the likelihood of a **Claim**;
3. the identity of the potential claimant;
4. the amount of actual or potential damages; and
5. how and when the **Insured** first became aware of such specific act, error or omission.

If such details are provided in full then any **Claim** subsequently made against the **Insured** arising out of such specific act, error or omission, shall be deemed to have been made at the time such notice was received by the **Insurer**.

C. The **Insured** shall give notice under this clause to the **Insurer** (via the **Insured's** broker or other agent only) at the address specified in item 8. of the

Schedule. Notice shall be deemed reported on the date and at the time of receipt by the **Insurer**.

- D. The **Insured**, as a condition precedent to their right to indemnity under this **Policy**, shall, at their own cost, co-operate with the **Insurer** and provide such assistance and information as the **Insurer** may reasonably request.

8. CLAIMS HANDLING

- A. The **Insurer** shall be entitled, but not obliged, at any time to take over and conduct in the name of the **Insured** the investigation, defence or settlement of any **Claim**.
- B. The **Insured** shall not admit liability, enter into negotiations, or agree to the settlement, mediation or arbitration of any **Claim** or incur any **Defence Costs** without the prior written consent of the **Insurer**.
- C. The **Insurer** shall not require the **Insured** to contest any **Claim** made against the **Insured** unless a Queen's Counsel (who in the absence of agreement by the **Insurer** and the **Insured** shall be selected by the Chairman of the Bar Council from a list comprised of three nominations from each of the **Insured** and the **Insurer**) advises that the same can be contested with a reasonable prospect of success.
- D. If the **Insured** shall refuse to consent to any settlement recommended by the **Insurer** and shall elect to contest a **Claim**, then the **Insurer's** liability for **Loss** and **Defence Costs** in respect of such **Claim** shall not exceed the amount for which the **Claim** could have been settled and **Defence Costs** incurred to the date of such refusal.

9. GENERAL CONDITIONS

A. Premium Payment

In the absence of a specific written agreement to the contrary, this **Policy** can be voided with effect from inception by the **Insurer** in the event that the **Insurer** does not receive full payment of premium within sixty (60) days of inception.

B. Other Insurance

The insurance provided by this **Policy** shall apply only as excess over any other valid and collectible insurance or other indemnity, unless such other insurance or indemnity is written only as specific excess insurance over the Aggregate Limit of Indemnity provided by this **Policy**. Therefore, where there is other valid and collectible insurance or other indemnity, the **Insured** must first claim under that other insurance or indemnity and not under this **Policy**.

C. Subrogation

1. The **Insurer** shall be subrogated to all the **Insured's** rights of recovery against any person before or after any payment or indemnity under this **Policy** and the **Insured**, as a condition precedent to their right to indemnity under this **Policy**, shall at its own cost take all steps necessary to preserve the **Insurer's** rights of subrogation and shall give all such assistance in the exercise of rights of recovery as the **Insurer** may require.
2. Any sums recovered from any third party pursuant to sub-clause 1. shall first be paid to the **Insurer** up to the full amount of **Loss** and/or **Defence Costs** paid on behalf of the **Insured** for a **Claim**. Any sums remaining shall be paid to the **Insured**, less the costs of recovery incurred by the **Insurer**.

D. Allocation

In the event that any claim under this **Policy** gives rise to both a **Loss** and / or **Defence Costs** which are covered under this **Policy** and losses or defence costs which are not covered under this **Policy**, the **Insurer** and the **Insured** shall negotiate in good faith to agree a fair and proper basis for allocation taking into consideration the relative legal exposures of the various parties. In the event that the **Insurer** and the **Insured** cannot agree on allocation they shall submit the dispute to a Queen's Counsel (who in the absence of agreement by the **Insurer** and the **Insured** shall be selected by the Chairman of the Bar Council from a list comprised of three nominations from each of the **Insured** and the **Insurer**) to determine a fair and proper basis for allocation having regard to the relative legal exposures of the various parties.

E. Assignment

This **Policy** and any and all rights under it are not assignable without the written consent of the **Insurer**.

F. Cancellation

Any **Insurer** may terminate their participation on this **Policy** by giving notice in writing sent by registered or certified mail to the address of the **Named Insured**, as shown in Item 3 of the Schedule stating when, not less than forty-five (45) days after the sending of such notice, the cancellation shall be effective. The sending of such notice shall be sufficient proof of notice and notice shall be deemed to have been made on the date of sending. In the event of such termination, the premium payable to that **Insurer** shall be pro rata to the time on risk. Payment or tender of unearned premium, if any, shall not be a condition precedent to the effectiveness of cancellation.

G. Entire Agreement

The terms and provisions of this **Policy** shall not be waived, changed or modified, unless by written endorsement. Notices to, by or from any agent or representative of the **Insured** or the **Insurer** shall not effect a waiver, change or modification of this **Policy** and shall not prevent the **Insurer** from asserting any rights under this **Policy**.

H. Authorisation

By acceptance of this **Policy**, each **Insured** agrees that the **Named Insured** shall act on behalf of all **Insureds** for all purposes including the negotiation of the terms of this **Policy**, payment of or return of premiums, receipt and acceptance of any endorsement issued to form a part of this **Policy** and giving and receiving notice of cancellation of this **Policy**.

I. Third Party Rights

A person who is not an **Insured** has no right under the Contract (Rights of Third Parties) Act 1999 to enforce any term of this **Policy**.

J. Material Change

The **Insured** shall immediately notify the **Insurer** of any material change in the facts and circumstances disclosed to the **Insurer** in the **Proposal Information** which may increase the risk accepted by the **Insurer** under this **Policy**. Where the **Insurer** is given such notice, the **Insurer** may elect to terminate this **Policy** or to offer the **Insured** a continuation of cover on such revised terms and conditions as the **Insurer** in its sole discretion shall specify. If the **Insured** breaches this condition by not giving the required notice, the **Insurer** may elect (in its sole discretion) to terminate this **Policy** in its entirety and in which case this **Policy** shall be of no effect whatsoever from the date of the breach.

K. Fraudulent Claims

If the **Insured** make any claim for indemnity under this **Policy** knowing the same to be false or fraudulent, the **Insurer** may elect (in its sole discretion) to terminate this **Policy** immediately in its entirety and in which case this **Policy** shall be of no effect whatsoever and all claims for indemnity hereunder (including such false or fraudulent claim) shall be forfeited. Further, in circumstances where the **Insurer** is entitled to avoid this **Policy**, whether for fraud by the **Insured** or otherwise, the **Insurer** may instead elect (in its sole discretion) to give notice to the **Insured** that this **Policy** remains in full force and effect, but no indemnity is provided for any **Claim** based upon, directly or indirectly arising out of, or in any way involving the circumstances that entitled the **Insurer** to avoid this **Policy**.

10. LAW

The construction, interpretation and meaning of the provisions of this **Policy** and any issue concerning its formation shall be determined in accordance with English law.

11. DISPUTE RESOLUTION

1. Any dispute save for those referable under clauses 8C and 9D above arising out of or in connection with this **Policy**, including any question regarding its formation, existence, validity or termination, shall be referred to arbitration in London, England in accordance with the Arbitration Act 1996. The rules for the conduct of the arbitration shall, subject to the provisions of the Arbitration Act 1996, be in the discretion of the arbitrator.

2. There shall be a sole arbitrator whose identity shall be mutually agreed upon between the **Insurer** and the **Insured**. In the absence of agreement, the arbitrator shall be selected by the Chairman of the Bar Council from a list comprised of three nominations from each of the **Insured** and the **Insurer**.
3. The arbitrator (as agreed by the parties or selected in accordance by the Chairman of the Bar Council) shall be a present or former member of the English Commercial Bar with experience in insurance law who has attained the status of Queen's Counsel.

12. HEADINGS

The descriptions in the headings and any subheading of this **Policy** (including any titles given to any endorsement attached hereto) are inserted solely for convenience and do not constitute any part of the terms or conditions of this **Policy**.
